

La Terrazza Uluwatu
started from a simple
story: two Italians
who met on this
island, only to
discover they grew
up just a few
kilometers apart in
Pisa, Italy.

What brought us
together was a love
for the ocean, good
food, and good drinks
— and that’s exactly
what you’ll find here.

We chose Uluwatu —
“the rock at the end
of the world” — as the
place to make it real.

Now this cliff is our
home, and we hope it
feels a little like yours
too.

Benvenuti a casa.
